

Vision

Vision is the single most important ingredient in creating an atmosphere to disciple your men. All men want to be a part of something bigger than themselves. Vision points the way.

The vision for your men begins with_____.

The End

The kind of male_____ God wishes to make at your church.

The Means

The No Man Left Behind Model.

Making_____ must be the main priority.

Two Questions

1. What does God want your men to become through discipleship?
2. What are the qualities, characteristics, and attitudes that God wants to develop in your men?

Personalize the Vision

- Who is that disciplined guy?
- What does he look like?
- How would you describe him?

If a man was active in our church for 5 years, what are the ideas, habits, and experiences we would want him to have in order for us to consider his discipleship experience a success?
